AGENCY CONTACT MEMORANDUM

To: Agency CIOs, Technical Contacts

From: Phil Baughn, Commissioner and CIO
Commonwealth Office of Technology

Date: May 5, 2010

Subject: Notification of Scheduled Mainframe Change – New Logon Banner

On February 26, 2010, the Commonwealth Office of Technology issued an Agency Contact Memorandum to notify agencies of an upcoming change to the mainframe to implement a new logon banner to comply with recommendations from the IRS. Agencies were asked to assess the impact of the planned change and report any potential issues to COT.

COT has conferred with each agency that responded to the February 26 memo and taken steps to ensure that the planned change can be made without adversely impacting ongoing operations. In accordance with federal IRS audit recommendations, COT will modify the mainframe logon screen on Sunday, May 16, 2010 to display a new warning banner during the logon process. The new mainframe logon banner, as shown below, will be similar to the standard banner that users encounter when they logon to the state's Active Directory network.

New mainframe warning banner:

This Government computer system is the property of the Commonwealth of Kentucky. The system contains State and Federal Tax Information. IT IS FOR AUTHORIZED USE ONLY. Unauthorized use or misuse of this system will be reported and will result in state and/or federal administrative disciplinary action or state and/or federal civil and criminal penalties. By LOGGING ON you affirm your awareness of and consent to these terms and conditions of use. LOG OFF IMMEDIATELY if you do not agree to the conditions stated in this warning.

Any questions should be directed to Ann Riggs, director of COT's Customer Service (Ann.Riggs@ky.gov) 564-9145. After implementation of this change, any issues should be directed to the Commonwealth Service Desk (CommonwealthServiceDesk@ky.gov) 564-7576.
