

In recognition of October as Security Awareness Month, the Commonwealth Office of Technology invites you to attend a presentation dealing with current and relevant IT security trends.

***Raleigh Burns (Symantec)***

Raleigh Burns joined Symantec in 2003 as a System Engineer and has worked with state agencies and universities all over the Eastern United States. Prior to joining Symantec, Raleigh worked in the Healthcare industry as a Security Administrator and HIPAA Advisor. He has extensive experience with threat management, incident handling and security control architecture. Currently Raleigh is the Security Specialist for the Southeast US for State, Local and Education territories. He has 20 years of experience in the Information Systems Security field.

***Topic: Security Threat Landscape Update***

***Topic Abstract:***

Raleigh Burns will address the current breach anatomy and the phases of the typical targeted cyber breach, covering recent targeted attacks such as Stuxnet and common mistakes which allow these attacks to be possible, as well as procedural suggestions which make the typical organization more resilient.

***When: Wednesday, October 27, 2010  
1:00 PM-2:00 PM Eastern Time (US & Canada).***

Raleigh Burns has invited you to attend an online meeting.

Join the meeting.

<https://www.livemeeting.com/cc/symantec/join?id=M5CM42&role=attend&pw=b%5E%60H7F%2Bkb>

Choose one of the following:

- Start Live Meeting client, and then in Voice & Video pane under Join Audio options, click Call Me. The conferencing service will call you at the number you specify. (Recommended)
- Use the information below to connect:

Toll-free: +1 (866) 244-8528

Toll: +1 (719) 457-0816

Participant code: 889433

***First Time Users:***

To save time before the meeting, check your system <<http://go.microsoft.com/fwlink/?LinkId=90703>> to make sure it is ready to use Microsoft Office Live Meeting.

Troubleshooting

Unable to join the meeting? Follow these steps:

1. Copy this address and paste it into your web browser:  
<https://www.livemeeting.com/cc/symantec/join>
2. Copy and paste the required information:

Meeting ID: M5CM42

Entry Code: b^H7F+kb

Location: <https://www.livemeeting.com/cc/symantec>

If you still cannot enter the meeting, contact support

<[http://r.office.microsoft.com/r/rlidLiveMeeting?p1=12&p2=en\\_US&p3=LMIInfo&p4=support](http://r.office.microsoft.com/r/rlidLiveMeeting?p1=12&p2=en_US&p3=LMIInfo&p4=support)>

Notice

Microsoft Office Live Meeting can be used to record meetings. By participating in this meeting, you agree that your communications may be monitored or recorded at any time during the meeting.

***Brent Crossland (Entrust)***

Mr. Crossland joined Entrust in January of 2003 from the Governor's Office of the State of Illinois. His primary role is to assist state and local governments in deployment of electronic government services through the use of certificate-based security and digital signatures. In addition, Mr. Crossland consults with various government entities throughout the nation on issues related to electronic identity policy, project design and implementation.

***Topics: Identity Management, Data in the Cloud***

***Topic Abstract:***

In addition to reviewing trends in IT security breaches over the past year, Mr. Crossland will address two other security topics: initiatives in the area of identity and credential management and the movement of public data and public applications to the "cloud".

***When: Tuesday, October 19, 2010***

***9:00 AM CDT / 10:00 AM EDT***

***Duration: 1:15***

Brent Crossland has invited you to attend an online meeting using Microsoft Office Live Meeting.

Presentation title: Observations on the State of Security & Security in the States
