DATE: February 18, 2016

SUBJECT: Best of Kentucky IT Awards Opportunity

This year state agencies again have the opportunity to receive recognition from their peers for the innovative and cost effective technology solutions they've recently implemented to enhance service delivery to citizens/businesses or to internal government users. Recognition of our agencies, employees, and staff is important, so I urge you to take advantage of this opportunity to highlight their accomplishments.

This recognition will come through participation in the Best of Kentucky IT Awards held in conjunction with the Kentucky Digital Summit. The 2016 award categories will include the Visionary Award, Best App Serving the Public, Most Innovative, and Best Collaboration. Submissions can be prepared online at <https://secure.kentucky.gov/formservices/Portal/BOK>.

**Award submissions must be received by close of business on March 18th.**

Awards will be presented at the Kentucky Digital Summit, which will be held in Frankfort on April 19, 2016. More information about the Digital Summit itself can be found at <http://www.govtech.com/events/Kentucky-Digital-Government-Summit.html>.

Please contact Glenn Thomas at [glenn.thomas@ky.gov](mailto:glenn.thomas@ky.gov) if you have any questions about the award submission process.
