**To:** Agency IT Leadership, Technical Contacts

**From:** Chuck Grindle, Chief Information Officer 

**Date:** February 13, 2018

**Subject:** Best of Kentucky IT Awards – Call for Submissions

For over a decade, state and local government agencies in the Commonwealth have had the opportunity to gain recognition for their innovative IT initiatives through participation in the Best of Kentucky IT Awards held in conjunction with the Kentucky Digital Summit. This will be the first year I have had the opportunity to participate in the award process and the Summit itself, and I look forward to recognizing the efforts of agencies and their employees as they continue their efforts to develop better, more cost-effective, and secure mechanisms for delivering services to citizens.

The 2018 Best of Kentucky award categories will again include the following:

- Visionary Award
- Best App Serving the Public
- Most Innovative
- Best Collaboration
- Best IT Security Innovation

Submissions can be prepared online at <https://secure.kentucky.gov/formservices/Portal/BOK>.

Award submissions must be received by close of business on Thursday, March 8th.

Awards are to be announced at the Kentucky Digital Summit that will be held in Frankfort on Tuesday, April 17, 2018. More information about the Digital Summit is available at <http://www.govtech.com/events/Kentucky-Digital-Government-Summit.html>.

Please contact Roy Terry at [roy.terry@ky.gov](mailto:roy.terry@ky.gov) if you have any questions about the award submission process.
