Subject: Best of Kentucky IT Awards – Call for Nominations

For over a decade, state and local government agencies in the Commonwealth have had the opportunity to gain recognition for their innovative IT initiatives through participation in the Best of Kentucky IT Awards held in conjunction with the Kentucky Digital Summit. I look forward to recognizing the efforts of agencies and their employees as they continue their efforts to develop better, more cost-effective, and secure mechanisms for delivering services to citizens.

The 2019 Best of Kentucky award categories will again include the following:

- Visionary Award
- Best App Serving the Public
- Most Innovative
- Best Collaboration
- Best IT Security Innovation

Nominations can be prepared online at https://secure.kentucky.gov/formservices/Portal/BOK. Award nominations must be received by noon on Thursday, February 28th. Awards are to be announced at the Kentucky Digital Summit that will be held in Frankfort on Tuesday, April 16, 2019. More information about the Digital Summit is available at http://www.govtech.com/events/Kentucky-Digital-Government-Summit.html.

Please contact Patrick Quirk at patrick.quirk@ky.gov if you have any questions about the award nominations process.
