AGENCY CONTACT MEMORANDUM #2012 – 0501

To: Agency CIOs, Technical Contacts
From: Steve Rucker, Commissioner
Commonwealth Office of Technology
Date: May 24, 2012
Subject: Used computers available

Commonwealth Office of Technology has a limited supply of used computers available to state agencies on a first-come, first-served basis.

These machines are Dell desktop models GX520 and GX745, and laptop models D800 and D630. Prices range from \$50 to \$170.

If your agency would like to acquire some of these, send an email to COTAssetDisposal@ky.gov with the number and model needed.

COT will work with the agencies to negotiate transfer dates, pickup and delivery. Upon agreement, appropriate eMARS accounting, property records, and inter-account transfer of funds will be completed.

We cannot accept requests for purchase of computers for personal use.
