

AGENCY CONTACT MEMORANDUM

#2020-1020

TO: Agency IT Leadership, Technical Contacts

FROM: Kari Welch, Executive Director
Office of IT Architecture and Governance

DATE: October 20, 2020

SUBJECT: Adobe Flash End of Life (EOL) - December 2020

In April of 2017, Adobe announced that Flash will no longer be supported after December 31, 2020, and several browsers and operating systems will be disabling Flash functionality. In an effort to understand where Flash is still used in the Enterprise, COT has developed a [form](#) to collect this information. COT will be evaluating the needs of continuing Flash for existing application functionality and determining next steps. The [form](#) can be completed by anyone in the Executive Branch, please share with your application administrators and developers accordingly. COT requests this form to be completed for any application with a Flash dependency no later than COB Friday, October 23.

For more information regarding Adobe Flash Player End of Life, please visit Adobe's Official General Information Page at <https://www.adobe.com/products/flashplayer/end-of-life.html>
