### **AGENCY CONTACT MEMORANDUM #2013-0501**

**To:** Agency IT Leadership, Technical Contacts

**From:** Steve Rucker, Deputy Secretary  
Finance & Administration Cabinet

**Date:** May 3, 2013

**Subject:** Attachmate

Many agencies have been inquiring about the use of Attachmate licenses. At this time, the Commonwealth is not purchasing any new Attachmate licenses, but agencies may continue to use licenses on existing machines.

It is important that Attachmate products are not added or deleted from computers until further notice. If there is some reason an agency requires a new Attachmate license, the purchase must be approved in advance by COT. It is OK to acquire and install other terminal emulation software products, but do not uninstall Attachmate.

Please ensure that employees in your agency comply with this. Please direct any questions to Jim Barnhart [jim.barnhart@ky.gov](mailto:jim.barnhart@ky.gov) or Janet Lile [janet.lile@ky.gov](mailto:janet.lile@ky.gov).
