To: Agency IT Leadership, Technical Contacts

From: Steve Rucker, Deputy Secretary
Finance & Administration Cabinet

Date: March 25, 2013

Subject: Managed Print Services

The Managed Print Services (MPS) project is underway now. The [MPS project](#) is a Smart Government Initiative which will be implemented across the executive branch.

During the coming months, senior cabinet decision-makers will be contacted by the project manager, Chuck Miller, requesting a meeting to discuss implementation of this project within the agencies. He will provide a short briefing, answer questions, receive any special requirements and restrictions of the agencies, and schedule on-site surveys of the buildings where agency personnel are located.

Thank you for your cooperation on this project which is designed to provide appropriate print tools for all agencies at a significant cost savings for the Commonwealth.

Chuck can be reached at charlesr.miller@ky.gov and other questions may be directed to the Commonwealth Service Desk at 502 564 7576.
