Subject: New Rated Service Offerings for Oracle and SQL

The Commonwealth Office of Technology announces new service bundles, which include the hardware, software and services for a fully managed Oracle or SQL virtual machine (VM). Additional processors (CPUs) and memory (RAM) are available for a separate charge. Database administrator services and storage required for the operating system, application, and database will be billed separately.

OR10	Per virtual machine (1vCPU, 4GB RAM), per month for a fully managed VM on COT's Oracle VM farm	\$248
OR20	Additional CPUs can be allocated at additional cost per virtual CPU, per month	\$98
OR30	Additional RAM can be allocated at additional cost per 2GB of RAM, per month	\$15
SQ10	Per virtual machine (1vCPU, 4GB RAM), per month for a fully managed VM on COT's SQL VM farm	\$208
SQ20	Additional CPUs can be allocated at additional cost per virtual CPU, per month	\$58
SQ30	Additional RAM can be allocated at additional cost per 2GB of RAM, per month	\$10

A full description of the new rated services may be found by [visiting this page](#).

If your agency has questions regarding the new rates, please contact your [COT Business Relationship Manager](#). To request new services, contact the Commonwealth Service Desk at (502) 564-7576 or CommonwealthServiceDesk@ky.gov.
