AGENCY CONTACT MEMORANDUM #2015-0402

To: Agency IT Leadership, Technical Contacts
From: James M. Fowler,
Chief Information Officer
Date: April 22, 2015
Subject: Nominations for annual CDG awards fast approaching

The Center for Digital Government is once again recognizing outstanding government infrastructure and Web achievements through its annual awards program.

Digital Government Achievement Awards spotlight the best in government agency and departmental websites as well as outstanding contributions at the application and infrastructure level. This year, awards will be presented in five categories - Government-to-Government, Government-to-Citizen, Government-to-Business, Government Internal, and Driving Digital Government.

Nominations will be judged on productivity and performance, innovation, functionality, and collaboration. If you feel a state agency website or application has made a difference in the lives of Kentuckians or helped government become more efficient, please [complete a nomination form](#) and email it to Glenn Thomas, director of IT Governance at Commonwealth Office of Technology (Glenn.Thomas@ky.gov).

Your nomination could help Kentucky shine on a national stage.

All nominations must be received by COT no later than **Friday, May 1**. Our agency will submit all nominations to CDG.

If you have any questions about the awards, criteria or process, please contact Mr. Thomas at (502) 564-6265 or Glenn.Thomas@ky.gov.
