COT Security Alert – Survey Scam Email

A scam email claiming to be the recipient’s Human Resource Department has been arriving in state inboxes. The email is not from any state Human Resource branch or office, and it is not from the Kentucky Personnel Cabinet. The survey is actually a trick to get the recipient to supply personal information, including logon credentials, to a malicious third party. Delete this email from your inbox and all mailbox folders. Remember never to click on links in unexpected emails.

This is a sample of the scam email.

Thank you.
