

## COMMONWEALTH OFFICE OF TECHNOLOGY (COT)

### STRATEGIC PROCUREMENT REQUEST (SPR1) SUBMITTAL PROCESS Effective May 4, 2020

*This document provides information that was included in the 2018 COT IT SPR1 and SDS Submittal Process as well as the following three (3) updates: (1) the replacement of the 2018 IT SPR1 Purpose and Justification Form with the new Technology SPR1 Request Form. The new form is a fillable document that enables the agencies to provide COT with relevant information regarding the request, (2) the submittal of Everything as a Service (XaaS) requests regardless of the dollar amount. XaaS includes software, infrastructure, platform, communication, etc. “as a service” which is based on a pay-as-you-go or subscription model, and (3) the removal of the 15% overage for IT SPR1 modifications. An SPR1 modification is now required for all changes made to the original SPR1 request regardless of the dollar amount or scope.*

#### **SPR1 Submittal Process**

An SPR1 must be submitted for the following IT requests and must include the outlined documentation:
